

District and UUA Stewardship Through Pledging – A Message From Your Annual Program Fund

Our purposes and principles begin with... “We the member congregations of the UUA, covenant to affirm and promote...” and end with ... “As free congregations we enter into this covenant, promoting to one another our mutual trust and support.” To that end of the mutual support, the following congregations have demonstrated their covenant to all congregations of this district and the greater association by making a pledge of support by the end of August, 2005 to the UUA (some congregations may have sent theirs in, but not shown below as it was received after this report was generated – we will be thanking you in a follow up MetroNY Minute).

If in **bold**, the congregation has pledged to support the UUA through a 100% Full Fair Share pledge. All pledges of support are important in the mutual support of this larger faith community. If your congregation has not yet pledged its support, it is not too late! We will be thanking the congregations that have already paid their full fair share in the spring at the district meeting and the General Assembly in St. Louis. Assure your delegates their voting privileges by payment of your contribution prior to May 2006.

If you need any assistance, or have any questions, please feel free to contact me. I am here to serve our congregations.
