Application For Spring 2008 Chalice Lighters Funds

The Chalice Lighters Program is a District-wide, congregationally based fundraising effort for a particular congregation that needs help to start a new congregation, acquire or enlarge a building or land, secure professional leadership or any other form of program expansion.

NOTE: To be considered for a Chalice Lighters Call, your congregation must be a UUA Fair Share and District Full Share Congregation.

DEADLINE: Applications for the Spring 2008 Call must be postmarked by October 1, 2007.

Please answer the following on separate sheets of paper.

1. Describe your project fully and as specifically as possible for consideration as a Metro NY District Chalice Lighters Call. How will this benefit your programs, membership, and facilities as it relates to growth?
2. How are you planning to finance your project in addition to Chalice Lighters funds? For example: have you had capital campaigns and/or fund raising programs? If Chalice Lighter monies are intended to secure professional religious leadership, how will you provide the funds necessary to continue the employment of the person(s)?

The Growth & Extension Committee of the UU District of Metro NY normally meets in April to select the congregations to receive Chalice Lighters funds for the following Fall and Spring seasons. For the Spring 2008 Call, the deadline has been extended.
